DETERMINED DADDIES DANCE OFF

As some of you may be aware, Kimberley Mitchell has a niece diagnosed with Type 1 Diabetes. There is a team created and headed by Kimberley's brother, Scott Mitchell, along with another father with a child diagnosed with Type 1 Diabetes in the U.K. called Determined Daddies. This team has committed themselves to doing epic challenges, like the Iron Man, and holding events to raise funds and awareness for Type 1 Diabetes!

This dance off is to aid the DD in raising funds and awareness with all the proceeds of this event going straight to the Determined Daddies! Kimberley Mitchell will choose 3 surprise dances in which every entered contestant will dance and from which a winner will be crowned! This is all to raise funds and awareness so we don't care if you dance AM/AM, PRO/AM, SAME SEX... ANYTHING!

Last year, we raised \$1,000 which went to Determined Daddies and helped them make determined smiles! Determined Smiles is when they choose a child with Type 1, and make one of their dreams come true; Whether it be a trip they couldn't normally take, a toy they can't afford, or a big birthday bash they have been asking for! Last year we helped give a handful of Type 1 warriors their DETERMINED SMILES!!!

As the Determined Daddies say, **“(we) will not stop until a cure is found and (we) have spread awareness to the moon and back again!”**
